A Short biography of Master Baktash "Saidi" Super World Thai Boxing Champion!

**Baktash Saidi ,, Afghanischer Tiger ,,
Thaiboxing Super World Champion**

**Baktash Saidi ,, Afghanischer Tiger ,,
Thaiboxing World Champion**

Master Baktash Saidi is the son of Mr. Burhanuddin Saidi, he was born on March 25, 1985 in the beautiful city of Kabul, Afghanistan.

Baktash enrolled in first grade in 1992 in the Federal Republic of Germany, and after graduating from elementary, middle, and high school, he

continued his higher education in computer science and marketing in the German Telecommunications department. After graduation and obtaining his degree, he started working in the same field.

Baktash Saidi started playing football at the age of 7, and soon after, he became one of the skilled players in the team, and his special interest led him to take several courses as a football referee and successfully obtained his diploma.

In addition to football, Baktash continued to play "Yuitsu" and earned the "white, green and orange" belts along with his testimonials. For example:

- On December 11, 2004, Baktash participated in the national team of Germany and some European countries

to become a member of the German National Team and the championship. He eventually fought against the champion of the Netherlands, despite his left eye and right foot was severely injured during the matches, however, he was able to bring his opponent to his knees with courage and bravery and gained the title of the champion of the Federal Republic of Germany.

During this heroic bout, his coach called him "The Afghan Tiger".

- on December 23, 2005 Baktash was sent to Thailand for two weeks by the German National Team to compete and gain more technical experience. He also competed there in Thaiboxing, in one of the biggest Arena and was able to defeat his opponent in the fifth round by way of KO.

- Baktash "The Afghan Tiger" due to his talent, great courage, and discipline of the sport in addition to competitions, for accurate and basic knowledge of the martial sport Thaiboxing in a continuous and short-term; Includes certain training courses, courses and seminars in Thailand, Germany, and some European countries and after passing the theoretical and practical exams he was able to receive the international diplomas in "Muay Thai Boxing University" of Thailand. He achieved the final degree and successfully achieved degree of "Master of the Sports" which is included coaching and Training diploma.

- In July 2007, Mr. Baktash, with the cooperation of his parents, his brother Yama Saidi, and his sister Fereshta Saidi, founded an independent school called the Champions Gym, meaning and subsequently the school's sports magazine under the name "Champions Gym" was also established.

- Master Baktash for the promotion and accurate introduction of "Muay Thai Boxing" martial arts in cooperation with some sports centers, especially in Thailand, established regular working relations for exchange of experiences, training of cadres, organization of competitions, cultural

activities and the establishment of a central international body expand and strengthen working relationships for the growth of the sport of martial arts.

- Master Baktash for the growth of Thai boxing; Organized and led major national competitions throughout the Federal Republic of Germany with the cooperation and participation of sports centers, and the proceeds from the understanding of these competitions helped the disabled schools in Germany, and subsequently established a charity committee and used the facilities of the field. It also continued to support young individuals in Afghanistan schools through the relevant German administration.

It should be noted and reminded that:

- Master Baktash has achieved the level of master's degree in the Martial Arts section of Thai boxing and has a score of "12 degree" in the record of Thaiboxing.
- Master Baktash has a first-degree license in Promoter, Trainer, Referee, Referee and Coach and next to it; It also has international documents in the section: "Organizing competitions and sports circles, consulting in the field of sports and nutrition system, health and advertising affairs".
- Master Baktash Saidi oversees leading three sports clubs and has also been able to successfully gather about three hundred of his students; a considerable quantity will make it proud of its mastery and championship.

It should also be noted that:

- Baktash during its sports activities; In total, he has competed in 119 matches, including 34 defeating his opponents by way of KO, 82 match he has won his matches in higher score, and 3 matches have been assigned with a difference of scores.
- Master Baktash, due to his sports activity, in addition to Letters of appreciation, medals, commendation plaques, cups have successfully obtained the five-championship belts of Germany, Europe and the world. for example:
 - In "2008", he won the Thai-Boxing championship belt of the Republic of Germany.
 - In 2010, he won the European Thai-Boxing Championship belt.
 - In 2017, he won the Thai-Boxing Intercontinental championship belt.
 - In "2018", winning the Thai-Boxing world championship belt.
 - In "2019" to win the Thai-Boxing world championship belt.

This is a brief biography of Master Baktash. We pray to God Almighty, for his health, longevity, success with goodness and blessings.

Amen.

April 2021 Germany
